

If you have an existing iMap2 account...

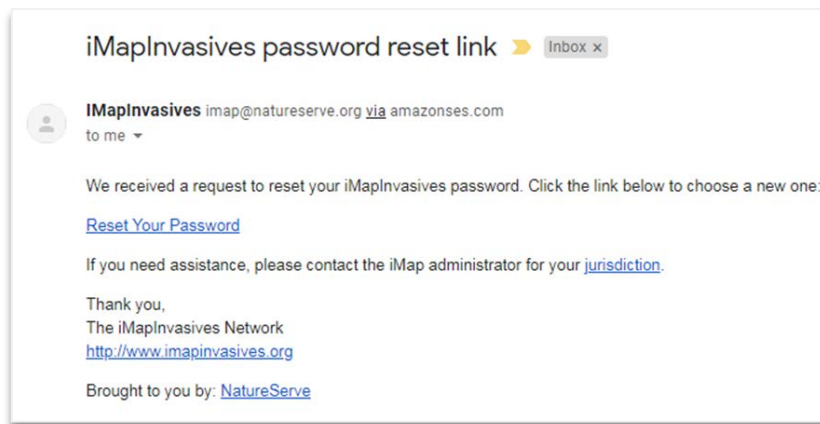

please follow the instructions below to log in to iMap3.

1. Access Login page: Click the  button OR Click the  button located at the top of the Map page.

2. If this is your first time accessing the iMap3 site, you do not yet have a password associated with your iMap3 account.

- Click the "Forgot Password?" link. 
- On the Recover Your Password page, enter the email address associated with your iMap2 account into the Email box.
- Click the Reset Password button.

3. Check your email - you should have received an email with the subject "iMapInvasives password reset link". Don't forget to check your spam folder!

- Click the "Reset your Password" link within the email.
- Click the Accept Agreement button at the bottom of the User Agreement page.
- On the Enter New Password page, enter the password you would like to use for your iMap3 account and click the Reset Password button.

4. Return to the iMapInvasives login page.

5. To log in: enter the same email address, used above, into the Email field, type your new password into the Password field, and click the Log In button.

If you think you have an existing iMap2 account, but you are having trouble logging in, please contact us at iMapInvasives@dec.ny.gov before creating a new account!

Please Note: iMapInvasives User Agreement language has been updated.

If you **do not** have an existing iMap2 account...

please follow the instructions below to create an account and log in to iMap3.

1. Enter your information into the Sign-Up box.
 - Please note that the password you choose must be at least 8 characters long, with a number and an uppercase letter.
 - In the Jurisdiction field, select the state or province in which you most commonly collect data. This can be changed later.
2. When you have filled out all the required fields, click the Join button.
3. If you receive this error:

That e-mail address is already registered. Please login above.

you may have an existing iMap2 account or you may have already signed up for iMap3 with your email address. Please attempt to log into iMap3 or click the "Forgot Password?" link to reset your password (see other side).

The screenshot shows a 'Sign Up' form with the following fields and text:
